Vertigo Cabine Sistema Notte

ORME

Nata dall’esperienza e dalla ricerca di Orme, firma del Gruppo Homes, la collezione Cabine di Orme interpreta con sapienza, creatività e sartorialità uno stile d’arredo e di vita, in armonia fra contemporaneo e moderno. Un progetto che si evolve, dedicando nuove collezioni ed attenzioni all’ambiente notte. Nuova la gamma delle finiture decorative che valorizzano lo spazio, con il calore naturale delle finiture materiche, oppure con un’armoniosa quanto seducente scelta di tonalità laccate. Ancora più ampie e aggiornate le modularità e possibilità compositive, per inserirsi in ogni ambiente e offrire una totale libertà di progettazione.

The new walk-in closet collection by Orme, a company in the Homes Group, is the result of experience and research applied to smart, creative interpretation of decor featuring sartorial styling that beautifully balances contemporary and modern design. Our project has evolved to dedicate new collections to the bedroom. There is a new range of space-enhancing textured finishes with the natural warmth of materic surfaces, or beguiling, harmonious lacquered colours. Bigger, up-to-date modules provide opportunities for a wide range of compositions that will enhance any environment and offer scope for customised planning.

Dati Tecnici／Technical data → P.105
